Your request for grant of a short term patent under application no. 32026121080.3 is found to have satisfied the requirements of sections 115(1) and (2) of the Patents Ordinance. Under the provisions of section 118 of the Ordinance, I am prepared to grant to the applicant a short-term patent for the invention applied for.

On the date of publication, the specification of the short-term patent will be published and the fact of its publication and grant of the patent will be announced in the Official Journal. On the same date details of the granted short-term patent will be entered in the register of patents and you will receive a certificate of grant of the patent shortly afterwards.

For registered e-filers

An electronic certificate of grant will be issued to your electronic mail box.¹ If you wish to opt out of the default arrangement and receive paper certificate instead, you must send your request in writing to us within two weeks from the date of this letter.

For those who are not registered e-filers

A paper certificate of grant will be issued to you. If you wish to receive an electronic certificate of grant instead, you must send your request in writing to us within two weeks from the date of this letter **and** register as our e-filer via <https://efiling.ipd.gov.hk> as soon as possible.

IMPORTANT: Please note that preparations for publication of the specification of the granted short-term patent are expected to be completed on **29 May, 2026**. Your attention is drawn to the provisions of section 122 of the Ordinance whereby withdrawal of an application under section 121, filing of a divisional application under section 116 and amendment under section 120 **are not allowed after the specified date**.
